Izbor boja za okvir / Frame color collection

BELA/white
 MANGANESE/manganese
 DRVO/wood

Dostupno samo za Professional, Decentrato, Swing / Available only for Professional, Decentrato, Swing

Izbor RAL / RAL selection
 Dostupno na zahtev / Available on demand

Boje prikazane u ovoj kolekciji boja su potpuno indikativne jer percepcija boja u fazi štampanja pretrpi značajne promene u poređenju sa originalnom bojom. Zbog toga se izbor boje treba potvrditi samo i isključivo nakon pregleda fizičke tabele boja kod prodavaca kompanije Gaggio. / The colors shown in this color collection are purely indicative as the perception of color in the printing phase undergoes significant changes compared to the original color. Therefore, the choice of color should be confirmed only and exclusively after viewing the physical color chart at Gaggio retailers.

Težina platna - Grama po kvadratnom metru
 Weight of the canvas - Grams per Square Meter

Postojanost boje na UV zrake - Odlično UPF 50+
 Color fastness to UV rays - Excellent UPF 50+

Vodeni stub - vodoodbojno > 370 mm
 Water column - water repellent > 370 mm

Vodeni stub - vodootporno >1000 mm
 Water column - waterproof > 1000 mm

Potpuno vodootporno platno
 Totally waterproof fabric

UV otpornost - optimalna zaštita od direktnih ultraljubičastih zraka
 / UV resistant - Optimal protection from direct ultraviolet rays
